**EPIC RESOURCES APPLIES FOR FURTHER PROSPECTIVE TENURE ADJACENT TO QUARTZ HILL URANIUM/RARE EARTHS PROJECT**

**Highlights:**

- **Three exploration licence applications submitted adjacent to Quartz Hill, NT**
- **Reprocessing of available geophysical data commenced**
- **Evaluation of additional resource opportunities to enhance shareholder value**

Epic Resources Limited ("Epic" or "the Company") is pleased to announce three exploration licence applications adjacent to the Quartz Hill Project, Northern Territory. The ground acquisition forms part of a regional exploration strategy. Epic strives to deliver value to shareholders through cost effective exploration and evaluation of resource opportunities both locally and internationally.

### **Additional Tenure- Quartz Hill Project:**

Epic has recently applied for three exploration licences in close proximity to its Quartz Hill project as part of its regional exploration strategy. Currently, Epic is conducting a comprehensive project evaluation to identify exploration targets warranting further investigation. Epic is targeting pegmatite style uranium-rare earth mineralisation and Iron Oxide Copper Gold (IOCG) mineralisation in an area of mixed magma types with extensive fluid alteration.

The comprehensive project evaluation comprises of a review of the available historic geological and geophysical data for the region, exploration targeting based on the desktop analysis and reconnaissance sampling and mapping of identified targets. The Company will inform the market of developments relating to this project review as they occur.

### **About Epic Resources Limited**

Epic Resources is an Australian-based exploration company that was initially established to acquire, explore, evaluate and exploit uranium-REE deposits and explore prospective uranium tenements and other minerals.

Epic Resources was incorporated on 24 September 2010. On 29 October 2010, the Company entered into a Farm-in Agreement with Cazaly Iron Pty Ltd (Cazaly), pursuant to which the Company has a right to earn a 75% interest in the Quartz Hill Project.

In addition to seeking to earn a 75% interest in the Quartz Hill Project and as outlined in the Company's Prospectus, the Company intends to pursue new projects in the resources sector, both in Australia and overseas, by way of acquisition or investment.

These projects may include other types of minerals including, without limitation, coal, iron ore, copper, gold, manganese, tin, nickel, potash and tungsten.
