**APPOINTMENT OF NON-EXECUTIVE TECHNICAL DIRECTOR &
RESIGNATION OF NON-EXECUTIVE DIRECTOR**

Epic Resources Limited ("Epic" or "the Company") would like to announce that effective immediately the following changes to the Board of Directors have taken place:

Non-Executive Director – Mr Morgan Barron

Due to other commitments, Mr Barron has resigned from his role as Non-Executive Director. The Board would like to sincerely thank Mr Barron for his work and commitment to the Company during the initial phase of the Company's development.

Non-Executive Technical Director – Mr Robert Jewson

BSc. Geology

Mr Jewson holds a Bachelor of Science majoring in Mineral Exploration & Mineral Geology. Mr Jewson has extensive experience across a wide range of commodities including iron ore, gold, uranium, coal and base metals both locally within Australia and abroad. His experience includes production-based mine geology at Newcrest Mining and significant exploration experience locally and abroad. Countries where Mr Jewson has carried out consultancy work include, but are not limited to, South Korea, Mozambique, Chile and Poland.

Mr Jewson has significant commercial and geological knowledge which will allow Epic to rapidly evaluate resource opportunities abroad and aggressively pursue projects which meet the Company's investment criteria.

In line with the Company's strategy to acquire prospective projects, the Board intends to actively seek out and appoint additional personnel to grow its management team as the Company implements its stated strategy of delivering shareholder value through cost effective exploration and actively seeking acquisition opportunities.

Other projects of interest

The Company has been actively evaluating a number other projects that include , without limitation, coal, iron ore, copper, gold, manganese, tin, nickel, potash and tungsten both within Australia and abroad . The Company is confident that it will be able to suitably identify a project that meets the Company's short term objectives and growth strategy.

About Epic

Epic Resources is an Australian-based exploration company that was initially established to acquire, explore, evaluate and exploit uranium-REE deposits and explore prospective uranium tenements and other minerals.

Epic Resources was incorporated on 24 September 2010. On 29 October 2010, the Company entered into a Farm In Agreement with Cazaly Iron Pty Ltd (Cazaly), pursuant to which the Company has a right to earn a 75% interest in the Quartz Hill Project.

In addition to seeking to earn a 75% interest in the Quartz Hill Project and as outlined in the Company's Prospectus, the Company intends to pursue new projects in the resources sector, both in Australia and overseas, by way of acquisition or investment.

These projects may include other types of minerals including, without limitation, coal, iron ore, copper, gold, manganese, tin, nickel, potash and tungsten.
