COMPANY ANNOUNCEMENT

31 March 2021

ASCOT COMMENCES PREPARATION FOR LIQUIDATION

Ascot Resources Limited (**the Company**) wishes to advise that it has engaged the services of a registered liquidator to commence preparing the Company for a member's voluntary liquidation.

The first phase of this process is expected to take between two and three months after which a general meeting will be called where members will be asked to vote on the Company entering liquidation.

For more information, visit www.ascotresources.com or contact:
